

Justin Craig School Tuition

What do we do?

Justin Craig support schools across the UK in providing extra tuition for students eligible for pupil premium funding. We have over 30 years of experience in ensuring students studying for exams get the best results possible. We offer small group tuition, usually for 8-10 students, to provide targeted support, whatever their academic ability.

When & where can the tuition courses take place?

We can run your tuition course either at your school, or at one of our 20+ centres across the UK. This course can be delivered over a weekend, a course of weekends or during the school holidays. We suggest 6 hours of tuition a day and we recommend covering 1 subject during this time.

Who teaches the course?

Justin Craig use qualified teachers as tutors who are selected for their experience, empathy and teaching expertise. The tutor will supplement your staff's teaching and reinforce learning. 98% of our students state that the tutor was good, excellent, or amazing.

What is covered in the course?

We offer a range of different courses, all of which can be tailored to the needs of your students. This may be consolidating knowledge, improving exam technique or building confidence. Many of our tutors have experience in supporting pupil premium students and can recommend a programme to get the results you are aiming for.

Popular courses include:

- Get Ahead – GCSE & A-Level – early courses in the autumn term to increase confidence and plan for success.
- GCSE - Core 3 – Maths, English (literature and language) and sciences.
- GCSE - Progress 8 – broader overview of all key GCSE subjects.
- A-Level – Key Subject – often 2 specific subjects such as Physics and Chemistry or English Language and Maths.
- Pre-Exam Preparation – 1 day course prior to exams to practice technique.

Reviews from existing school partners

“

Students were enthused by the excellent tutors who reinforced their understanding of key concepts across the unit. The result has been enhanced levels of confidence and improved performances in mock examinations (by two grades in some cases).

Samson, Wanstead High School

”

“

Thank you – the student found the course exceptionally helpful. They found the teacher both supportive and able to explain difficult ideas with clarity. When one of the students found a particular concept difficult he gave her extra one to one support which was much appreciated. I think they are really set for the coming resits so thank you.

Jo, Michael Hall School

”

“

The Support Justin Craig Tutors provided in supplementing the school's GCSE exam preparation arrangements was excellent. GCSE results improved in the subjects supported by Justin Craig and pupils achieved a record number of A* and A grades in Maths. I unreservedly recommend the Justin Craig Schools GCSE Revision Programme.

Joan, Kingsford Community School

Feedback

We will provide reports back to your school so that you can demonstrate how your pupil premium funding has been spent.

Costs

We base our costs on the rate of **£825** per tutor per day for in house tuition.

There is also the opportunity for students to attend one of our courses at our national study centres. Costs for this are dependent on level, duration of course and whether meals/ accommodation are needed.

For further information please visit www.justinraig.ac.uk

HOW TO MAKE A BOOKING

For further information, please call our Schools Liaison Manager, Ian Jones, on **01727 744 335** or email schools@justincraig.ac.uk
